I hereby authorize Aix-Phila Briefmarken GmbH to buy the lots listed below up to the limits of the following bids on my behalf and for my account under the "terms of auction", which are known to me and are hereby recognized by me. If the amounts of the bids are not reached, the lot will be knocked down at the corresponding lower price, as is in my interest. The auctioneer's commission is 17% of the hammer price. A lotting charge of € 1.50 per lot is added and, in cases involving shipment, the costs incurred for postage and insurance. A VAT charge of 7 % is levied on the complete amount. There are no VAT charges in the case of shipment to third countries (outside the EU) and to EU member states when the VAT identification number has been stated in advance.
